“ I like this very much. I find out so many interesting things about cycling equipment!” –Elena, 16

During this class I found out so many interesting things I even found a bike watch which I want to buy. There is so many equipment I did not know that exist.
–Rudolf, 16

2. Personalization of safety equipment and accessories

We have a task to redesign bike tracks.

There was discussion about new accessory and some of student mentioned how his grandfather always put some gum around leg to protect the pants during cycling.

So we decided to make leg bands.

Finally

Small fashion shaw!
